

VERHALEN COMMERCIAL INTERIORS

A MESSAGE FROM GENERAL MANAGER, MICHAEL J. WARREN:

Major growth continues in the MKE market with many new projects awarded for both DW and ACT. We are starting to see the first ripples of the upcoming Foxconn development that will keep us busy for some time. Construction in the North was slower than expected over the last few months due to several project schedule delays. Things will only get busier from here and we expect a record high crew size by early summer. Bid opportunities remain strong and will only increase.

We have now built a solid field crew in both the GB and MKE markets and are becoming the only DW/ACT dual-threat. This strength will give us opportunities to move our crew between locations to better handle slower periods in the future.

Our incredible employees allow us to truly pursue our goal of being the best and most respected subcontractor in the industry. Thank you for all that you do for this great organization and let's enjoy a busy and safe spring together. New team members – welcome to VerHalen!

- MJW

MARCH FOR BABIES WALK

Date: Saturday, April 28, 2018

Registration: 8:30 AM | Start: 9:30 AM

Walk distance: 3 miles

Address:

Ashwaubomay Park
2881 South Broadway
Green Bay, WI 54304

Join more than 500 people at the Green Bay March for Babies walk in support of moms at every stage from preconception to post-delivery with research, programs and education. It all comes together with a celebration at March for Babies on Saturday, April 28th at Ashwaubomay Park!

Nearly 4 million babies are born in the United States every year. The money raised will be a lifeline for moms and babies near you and across the country. This year, VerHalen, Inc. is a local level Gold sponsor for the March of Dimes' March for Babies. To donate to this cause, please visit: <https://www.marchforbabies.org/EventInfo?EventID=19045>

CURRENT PROJECTS

Green Bay Packaging Home Office

Start Date: November 2017

Finish Date: February 2018

The remodel of Green Bay Packaging's Information Technology department, which covered the second floor of their corporate office, encompassed roughly 10,600 square feet. The project included 34 workstations, five private offices, several conference rooms, collaboration areas and breakroom furniture. Our Furniture & Interior Design department specified all of the furniture, new carpet, luxury vinyl plank flooring, paint and various fabrics and finishes to create a welcoming ambiance for their newly renovated home office.

Kewaskum Middle/High School

Start Date: December 2017

Finish Date: Projected for July 2018

General Contractor: C.D. Smith Construction

Architect: Bray Associates Architects Inc.

Our field crew is working on both drywall and acoustical ceilings at this new middle school and high school renovation in Kewaskum. Construction crews have been full speed ahead since the groundbreaking ceremony that was held August 30th, 2017. The new two-story middle school will link to the existing high school building creating a 6th-12th grade campus.

SAFETY

DO HARDHATS EXPIRE?

YES.

- Is your hard hat older than 4 years?
- Is your hard hat fading, chalky or brittle?
- Is your hat dented, cut or deeply scuffed?
- Has your hat suffered an impact?
- Do you leave your hard hat in your car?

If you answered yes to ANY of these, please inspect your hard hat and contact your foreman. You might need a new one!

CORNER

WELCOME TO THE TEAM

Join us in welcoming the following team members:

Justin Gelhausen, Sr. Project Manager, will be leading drywall project management activities for our growing VerHalen Milwaukee office.

Jenny Christianson, HR Generalist, will be directing the recruiting efforts for both VCI and Pella while working with Melissa Jeanquart, HR Manager.

Jeremiah Boushka, Assistant Project Manager, will be focusing on acoustical projects in our Northern territory while working at our Green Bay location.

If you have any questions about ADP or haven't yet registered for it, please feel free to contact Human Resource Manager, Melissa Jeanquart. mjeanquart@verhaleninc.com | (920) 431-8978
